Field Information

Palm Desert Soccer Park

The Palm Desert Soccer Park was designed to be user friendly. It can be utilized as a regulation size 5 field facility or can easily be reconfigured into a facility of 7 fields or 9 fields for youth participation. All playing fields can be enjoyed day and night due to the outstanding lighting of the entire facility. Two of the full sized fields offer stadium style seating to get that "birds-eye" view of the game and to ask yourself, "what did the referee see?" The park has 4 covered and lighted barbeque pavilions and 2 outdoor showers. Cement sidewalks and ramps offer handicapped visitors access to view all fields. A large covered playground is inviting to the little siblings not yet interested in soccer. The facility is encircled with a .7 mile running track and offers a 2 hoop basketball court.
